**Jan Bannan : Great Western RV Trips** before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Western RV Trips:

22 of 22 people found the following review helpful. 16 Great Western Vacations would be a better title.By Birder GirlTo date I have used only a couple of the "trips" outlined by the author. Her data is definitely shy of specific rv information...just the skimpy basics. However, the "travelogue" sections are quite good on their own merits. Exclusive of the rv, we found much of her other information quite helpful and interesting. I hope the author revises the book and adds a healthy dose of really meaningful rv info.0 of 1 people found the following review helpful. Good book. When I

retire and get an RVBy JMRGood book. When I retire and get an RV, I will likely re-read it and love it.0 of 1 people found the following review helpful. Three StarsBy Mary KingIt is OK

Every year, the 9 million RV owners in the U.S. look for new and exciting vacation destinations. RV owners who aren't content staying put will be inspired by journeys, such as: Southeastern California's enigmatic deserts; Spectacular mountains on the Lewis and Clark route and a dozen more. Detailed trip maps, and insider's tips complete information on campgrounds.

From the Back CoverFrom sun-baked Baja to spectacular Glacier National Park, a perfect guide to seeing the West by RV--16 dream vacations for every season. "At last! An RV guide equal to the wonderful western routes it describes. Consider it a mandatory piece of equipment for your journey." --Terry Richard, outdoor writer, The Oregonian  
Imagine being in the mountains, forests, or deserts of the American West at Nature's most beautiful and fascinating times. Far from the beaten path, in any season of the year, the peace and spectacular scenery are there for you to enjoy. And you can do it all in the comfort of your recreational vehicle. For more than two decades, writer and photographer Jan Bannan has blazed the RV travel trail in the West. Now she has compiled 16 dream vacations for the RVer, doing all the information-gathering and road-testing for you. These magical itineraries will take you to Arizona's Saguaro National Park as nature awakens its springtime Southern Texas's Big Bend in the winter, where wildlife and hot springs abound Oregon's lush forest trails and Columbia Gorge waterfalls at the peak of the summer's windsurfing season Southern Utah's magnificent red rock cliffs in autumn Idaho's historic Lewis and Clark route And many other glorious places during their best seasons. Great Western RV Trips helps you get the most out of your RV travel adventures, tipping you off to the best times for viewing flora and fauna, and showing you how to work with the weather, not against it. This comprehensive vacation resource also includes detailed maps, resources and information for the physically impaired traveler, complete information on the best campgrounds and hookups, and special events and recreational activities at your destination. Prepare for the RV adventure of a lifetime!About the AuthorJan Bannan is a professional travel writer and photographer who has toured and camped in the West for over 22 years. Her credits include The New York Times, Wilderness Magazine, MotorHome, and many others. She is the author of four books, The West Less Traveled, Oregon State Parks, Utah State Parks, and Sand Dunes, a children's book that adults enjoy.
