Editors of Twin Lights Publishers Inc. : Greater Newburyport: A Photographic Portrait before purchasing it in order to gage whether or not it would be worth my time, and all praised Greater Newburyport: A Photographic Portrait:

2 of 2 people found the following review helpful. Beautiful book By A Customer This book is filled with photographs that make me miss my home and make me excited to move back. The photos are stunning and the book is well done. My only minor critique is that some of the captions are slightly confusing. I spent a few minutes wondering where the 'train' was in the picture of the train station, only to reread the caption and realize that they are referring to a theoretical train and not one in the picture. Also, the little intro picture in the Newburyport section is really the southern point of Salisbury Beach, which also puzzled me a bit. Both minor points, but thats why only 4 stars from me. 0 of 0 people found the following review helpful. Lovely photographs By Carol A. Fellman I bought this book for

my husband who was born in Newburyport. The photographs are just lovely. My husband isn't easy to buy for, but I hit a home run with this book. 1 of 1 people found the following review helpful. A nice photographic journey of Newburyport and environs
By bostonviking
I have lived in Newburyport for many years and this volume highlights both the natural as well as developed beauty of the area.

This exquisite full color photographic record covers the Greater Newburyport, Massachusetts region including the communities of Salisbury, Amesbury, West Newbury, Newburyport, Plum Island, and Newbury. These 145 color images have been selected from over 700 entries in a photographic contest. They portray the diverse settings, activities, ocean and landscapes that have made this northeast corner of Massachusetts so enticing.
