G.M. Johnson : Greater Portland Street Map Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Greater Portland Street Map Book:

1 of 1 people found the following review helpful. Five StarsBy Alfred T. MarshWe are spoiled by using this book as a guide to move around Portland. We count on it's directions.0 of 0 people found the following review helpful. these books have always worked good. I have had several over the past 18 ...By J. N. Trucking Inc.these books have always worked good. I have had several over the past 18 years.. Jim0 of 0 people found the following review helpful. Five StarsBy Derrel DavisThank you

This map book is a full color street map of Greater Portland. The map covers all of Portland and includes Beaverton, Hillsboro, Lake Oswego, Oregon City, Happy Valley, Gresham, Vancouver, Tualatin, Forest Grove adjoining communities. Points of interest included are schools, parks, shopping centers, golf courses, block numbers, and many other useful features. Produced with the latest computer mapping technology, this map is accurate and current. An easy to use index listing all streets and selected features is included. 8 1/2 x 11

About the Author GM Johnson Associates Ltd. is a computer cartography company, specializing in street maps and atlas publishing for the North American retail market. GM Johnson uses advanced technology to design and publish maps. GM Johnson has built a solid publishing business over a 24-year period, and has been aggressively building its street maps and atlases over the past 10 years. We have increased production by using technology to produce over 50 new titles per year. In a relatively short period of time, we have produced a large collection of maps, atlases and bases (more than 320 titles).
