National Geographic Maps - Adventure : Greece (National Geographic Adventure Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Greece (National Geographic Adventure Map):

7 of 7 people found the following review helpful. A durable map By Jim This is a great map to use when touring Greece. I like the non-rip part particularly as all I could find locally are cheap paper maps that fall apart quickly. 3 of 3 people found the following review helpful. Very high quality By Donn Fishburn We were on a tour but my wife is a map follower. This map was open any time we were on the road. 0 of 0 people found the following review helpful. Five Stars By Customer very good travel map

Waterproof Tear-Resistant Travel Map National Geographic's Adventure Map of Greece is an invaluable tool for travelers seeking to explore the country's rich history, remarkable beaches or picturesque islands. Find cities and towns easily with the aid of a user-friendly index. Plan your route with the mapped road network complete with distances and designations for expressways, major and secondary routes along with tracks and highlighted scenic roads for those wishing to travel off the beaten path. Additional travel information includes airports and airfields, passes and tunnels, harbors, ferry routes, railways and border crossings. Among other pinpointed destinations are monasteries, castles, churches, mosques, caves, mines, ski resorts, spas, beaches, archeological sites, scenic viewpoints, national parks and UNESCO World Heritage Sites. The northern half of the country is covered from its borders with Albania, Macedonia, Bulgaria and Turkey to the ancient city and Greek capital of Athens, including the World Heritage Sites at Meteora and Delphi. Inset maps show the islands of Kerkyra (Corfu) and Zakynthos (Zante). The country's southern half details from the Peloponnesus Peninsula down to the island of Crete, including the popular islands of Rhodes and Mykonos. Such an abundance of specialized content, not available on traditional road maps, makes the map the perfect companion to National Geographic's Greece Traveler Guide or any other guidebook. Every Adventure Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of international travel. Map Scale = 1:710,000 Sheet Size = 37.75" x 25.5" Folded Size = 4.25" x 9.25"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
