From imusti : Greetings from Route 66: The Ultimate Road Trip Back Through Time Along America's Main Street before purchasing it in order to gage whether or not it would be worth my time, and all praised Greetings from Route 66: The Ultimate Road Trip Back Through Time Along America's Main Street:

2 of 2 people found the following review helpful. The book is nice, big and sturdyBy TaznjoThe book is nice, big and sturdy. I thought it would be more of a travel guide, which is it not. It is much more of a picture book. We did all of Route 66, from Chicago to Santa Monica Pier and could have left this book behind. Great to have to look at later and get some neat history, but not a very good travel guide.1 of 1 people found the following review helpful. Great PhotosBy RobertThis book is chalked full of brightly colored photographs and postcards from the entire length of Route 66, from the small towns, which some do not even exist anymore, to the towns and places that have survived, thrived, and still welcome tourists !!!Anyone that is going on the Route 66 drive, needs to look into this book, to get a feel of what exactly they are going to be seeing along the way, and make sure they do not miss anything. Some places worth mentioning are off of the beaten path, but worth a side trip.0 of 0 people found the following review helpful. I stopped at most of the places listed and was glad I didBy Mama LocaUsed the book on my recent road trip following most of Route 66. I stopped at most of the places listed and was glad I did.

John Steinbeck famously christened Route 66 Americas Mother Road in The Grapes of Wrath, and that chapter about Tom Joads exodus is just one of the classic pieces collected in this ultimate anthology. Heres history, roadside attractions, pop culture, ghost storieseven recipes from famous greasy spoons. And its all illustrated with the largest

collection of vintage art, postcards, travel decals, collectibles, and other memorabilia ever amassed. This is a truly a worthy tribute to the Main Street of America.

About the Author Mike Witzel is the award-winning author of more than two dozen books, including the MBI bestsellers *Route 66 Remembered*, *The American Gas Station*, *The American Diner*, and, most recently, *Legendary Route 66*.
