**National Geographic Maps - Trails Illustrated : Guadalupe Mountains National Park (National Geographic Trails Illustrated Map)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Guadalupe Mountains National Park (National Geographic Trails Illustrated Map):

0 of 0 people found the following review helpful. Four Stars By Customer Good quality map. Wish the boundaries were expanded a bit further out of the park (showing access). 0 of 0 people found the following review helpful. Don't forget this map if you plan on hiking and doing backcountry stuff By Nicole Great topo map 0 of 0 people found the following review helpful. Five Stars By Customer A great asset for planning my back country hikes this fall

Waterproof Tear-Resistant Topographic Map Created in cooperation with the National Park Service and others, National Geographic's Trails Illustrated map of Guadalupe Mountains National Park is a complete travel guide to this pristine wilderness area. The map includes expertly researched information about the trees, shrubs, birds, amphibians and other flora and fauna that live in the the park's three ecosystems. The park's geologic history, which dates back nearly 300 million years, is explained as well. Outdoor enthusiasts will be able to explore the area following precisely mapped trails, which include mileage markers and are color-coded according to their designated usage. Campgrounds, primitive campsites, picnic areas and points of interest along the trails are marked. To aid in your navigation of the area, the map also displays contour lines, elevations, labeled peaks, four-wheel drive and high clearance roads, water features and various waypoints. Additionally a campground to campground mileage chart will help you plans your journey. The map covers map popular points of interest, including Lincoln National Forest, Guadalupe Mountains and Guadalupe Mountains Wilderness. An inset regional map will assist you accessing the park and the nearby Carlsbad Caverns National Park. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Brokeoff Mountains, Carlsbad Caverns National Park, Guadalupe Mountains, Guadalupe Mountains National Park, Guadalupe Peak, Lincoln National Forest. Map Scale = 1:35,000 Sheet Size = 37.75" x 25.5" Folded Size = 4.25" x 9.25"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
