Great buy and add to the fact that it is no longer being reprinted by ADK.0 of 0 people found the following review helpful. Four StarsBy Oscar MadisonBought this along with several other guides to add to my collection for my spontaneous hikes in the Adirondacks.3 of 3 people found the following review helpful. ADK books are greatBy Brian WestonThis is another great book by the ADK covering the Raquette Lake, Old Forge, and lower regions on the western side of the beautiful park. A must have for even the most casual of hikers.
