Charles Wells : Guide to Moab, UT Backroads 4-Wheel-Drive Trails 3rd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Guide to Moab, UT Backroads 4-Wheel-Drive Trails 3rd Edition:

0 of 0 people found the following review helpful. Even works for motorcycle ridersBy Steve LarsenThis is a very comprehensive guide to the trails around Moab, UT. While I was using it for guidance to the best motorcycle trails and it is oriented to Jeeps and RZR's for the most part, it still worked very well. It just requires one to "read between the lines."0 of 0 people found the following review helpful. This auther does a fantastic job on his guides with lots of colored pictures ...By David EpleyThis auther does a fantastic job on his guides with lots of colored pictures and details. I own 2 of them now and wont hesitate to buy another when camping and 4 wheeling in a new location. This one for Moab has been updated recently.0 of 0 people found the following review helpful. So far we're only researching trails but we'll be heading ...By RichSo far we're only researching trails but we'll be heading out in early

Nov. but the book has been very helpful. We'll be there a little over a week and we'll see how the book actually works out. ;-)

The all-new third edition Guide to Moab, UT Backroads 4-Wheel-Drive Trails adds 25 trails and two new areas. Every trail represented has been freshly driven and documented using the latest GPS technology for extreme accuracy. Over 500 color photos show scenery as well as trouble spots. Tips and advice from local experts help to get you through the trail. All trails are BLM approved and are legal routes. More Jeep Safari trails are referenced as well, including Cameo Cliffs, the Pickle, Where Eagles Dare and Rusty Nail. After spending a few days driving Area BFE, the need for a concise and accurate overview map and directions became clear and full descriptions have been added. With this latest edition as your guide, you'll enjoy multi-day overland adventures in new areas, which include the Maze District in Canyonlands National Park and the San Rafael Swell.
