Polly Burroughs : Guide to Nantucket before purchasing it in order to gage whether or not it would be worth my time, and all praised Guide to Nantucket:

A haven for artists and nature lovers, Nantucket's simple and seductive charm is captured in this trusted guide, authored by a long-time visitor and affectionate friend of the island. Included is information on accommodations for families with children, restaurants within a range of budgets, profiles on entertainment and outdoor recreation, and more. 60 photos, 4 maps.

From the Back CoverA haven for the artist and lover of beauty, Nantucket, with its rolling moors and sandy beaches, is one of the most enchanting places in America. With this guidebook in hand, go to the heart of this perfectly preserved New England seaport. Tour the island's historic district, browse antique shops and art galleries, attend annual events such as the Nantucket Film Festival, find up-to-date information on lodging and restaurants, explore beaches, stroll nature trails, rent a boat, or enjoy other Nantucket outdoor activities. (5 1/2 x 8 1/2, 208 pages, bw photos, maps)
