Shelley Johnson, Vaughan Smith : Guide to Sea Kayaking in Maine (Regional Sea Kayaking Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Guide to Sea Kayaking in Maine (Regional Sea Kayaking Series):

0 of 0 people found the following review helpful. Great trip suggestions and tipsBy CustomerGreat trip suggestions and tips. Used this to plan a 3 day trip to Downeast Maine. Departed from Jonesport to see some of the islands and camp out. It steered me away from some potentially dangerous itineraries and gave great advice for the area. Highly

recommend!0 of 0 people found the following review helpful. Useful guideBy Debbie SWe just returned from a trip to Maine - we used the book to plan our excursions - It still required usage of an atlas and GPS for some areas but it is a useful book - We plan to use it again and will update!0 of 0 people found the following review helpful. Five StarsBy lafGreat book! fast delivery, accurate description.

A detailed guide to the forty best sea kayaking destinations along the Maine coast, including maps and alternative routes. The routes range from short, well-protected trips for beginners to more challenging trips designed for experienced kayakers. There is information on accommodations, restaurants, parking, camping, and boat ramps.

From the Back CoverGuide To Sea Kayaking In Maine lets kayakers of all skill levels explore forty trips along the spectacular, island-dotted coast of Maine. Two expert kayakers guide you, providing thorough descriptions of each route, including safety guidelines and interesting sights along the way. Detailed maps and information about coastal Maine's weather patterns and tides help you navigate one of the most beautiful and dramatic coastlines on the planet. Whether paddling among the islands off Stonington in search of seals, exploring the rugged Downeast coast, or navigating the waters of Penobscot Bay, this book is a must for sea kayakers.
