Robert Santelli : Guide to the Jersey Shore: From Sandy Hook to Cape May before purchasing it in order to gage whether or not it would be worth my time, and all praised Guide to the Jersey Shore: From Sandy Hook to Cape May:

0 of 1 people found the following review helpful. Good information at the time it was published, butBy A CustomerThe previous reviewer seems to forget that the book was published in 1994 when the websites that s/he is looking for weren't in existence. A lot of good information is contained in the book, but it is in need of an update. I'm looking forward to getting my copy of the 2003 edition.

The delights of coastal New Jersey extend far beyond its beaches and boardwalks--antiquing in Monmouth County, canoeing in the Pine Barrens, attending film festivals in Cape May--and this guide details the fun to be had in nine distinct areas of the Jersey Shore. Thoroughly updated, it includes the latest information on where to stay and eat as well as a healthy dose of local lore. Readers can experience:*Day tripping and boating in the Bayshore and Sandy Hook*Fishing and beachcombing on the North Jersey Shore*Outdoor concerts and museums on Long Beach Island*Casinos and restaurants in Atlantic City*Victorian, tulip, and film festivals in Cape May

"A fact-packed fun guide of visitors' delights." --The New York Times"There's almost always something, especially for the kids."--Family Travel Times
