**Education International : Guide to Universities 4 Year Colleges in the USA 2000 Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Guide to Universities 4 Year Colleges in the USA 2000 Edition:

This unique resource showcases over 150 universities and colleges throughout the USA to both American and international students. In-depth, two-page profiles provide information on programs offered, admissions, expenses, student support and more. This guide also provides contact information on 250 additional institutions and feature articles on financing an education, evaluating a school and writing the SAT/ACT, plus topics for international students such as visas and the TOEFL. This is the only guide on postsecondary institutions that provides detailed information

for both American and international students.
