From Brand: Hagstrom Map Co : Hagstrom Dutchess Putnam Counties Atlas before purchasing it in order to gage whether or not it would be worth my time, and all praised Hagstrom Dutchess Putnam Counties Atlas:

Since the company no longer produces this type of maps, I had to find an used one, so I did. It wasn't cheap but I figured since I needed it, I went for it. I found one that said 'good condition'. Well, the condition wasn't 'good' at all. There were stains and creases on the cover; some of the pages were wet, so they no longer looked smooth. Still, I guess it serves the purpose.0 of 0 people found the following review helpful. Five StarsBy LindaEverything I needed
