Hagstrom atlases are the only way to go if you don't want to get lost. It's too bad this well established, local family business is no longer around because their maps are the absolute best.0 of 0 people found the following review helpful. Lucky us that we found this copy of Fairfield Cty CT at ; we use local maps to direct our drivers, and need the larger-font street names. Very happy with condition of this map; very disappointed with Hagstrom for no longer making this layout. "New,

Improved, Digitized" is definitely NOT an improvement!

This atlas is fully street indexed and includes U.S., state and interstate highways, Merritt Parkway and the Connecticut Turnpike, hospitals, parks, golf courses, airports, railroad routes, neighborhoods and ZIP codes.
