From Brand: Hagstrom Map Co : Hagstrom New York City 5 Borough Atlas: Laminated (Hagstrom New York City Five Borough Atlas (Laminated)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hagstrom New York City 5 Borough Atlas: Laminated (Hagstrom New York City Five Borough Atlas (Laminated)):

1 of 1 people found the following review helpful. Five StarsBy MikePperfect, exactly as described.0 of 0 people found the following review helpful. Road MapsBy Billy ValShows all the roads - handy even for those who live here like us - we use it all the time1 of 1 people found the following review helpful. Mixed reviewBy book buffThis atlas replaced my 1989 atlas. The new atlas has maps which are clearer, and the book contains more information than the

old edition. Both of these rate a plus. But the pages are printed on much thinner paper than the old edition. The book is spiral bound and the pages tear easily. Thinner paper means the book will wear out quickly, which is disappointing.
