From Brand: Hagstrom Map Co : Hagstrom New York City 5 Borough Pocket Atlas (Hagstrom New York City Five Borough Atlas (Spiral/Laminated)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hagstrom New York City 5 Borough Pocket Atlas (Hagstrom New York City Five Borough Atlas

(Spiral/Laminated)):

3 of 3 people found the following review helpful. Great way to find your way around in NYBy Gary RoelliThis atlas is very good, nicely detailed, well laid out and very crisply printed. This size is perfect for your glove box or carry it with you. If you wanted to plot out alternate routes or just to see the "big" picture then the larger size would be suggested. Note that this smaller version was labeled on as laminated but it was not. A bit of a let down but the price made it a steal.0 of 0 people found the following review helpful. Five StarsBy CustomerThank you1 of 1 people found the following review helpful. A Museum RarityBy FanThe book/atlas is very helpful while you are in NYC. I can't believe the current price of it. In 1999, I paid for the book \$8.95, and now was trying to find the latest edition - perhaps, improved, but it seems like an unreal expectation.

The New York City 5 Borough Pocket Atlas is the most accurate of its kind. It includes a full street index, historical information, postal zones and stations, outdoor activities, and more. Special features include: A map of the Theater District and Downtown Manhattan Building numbers and the direction of streets in Manhattan Subway lines and stops A map of main routes that pass through New York City, eastern New Jersey, Nassau County, NY and Fairfield County, CT PATH trains, ferry information, and tolls for bridges and tunnels Airport maps Schools, hospitals, ZIP codes and other points of interest The atlas also contains crisp, new digitized maps, which make all of the details sharper and cleaner for easy navigation. The pocket size makes this atlas the ideal reference in the car or on the go.
