Having no sense of direction, I always rely on a good map in the car to help me find my way when this happens, or when I want to look for alternative routes. I have many other Hagstrom maps and they are always helpful. 5 of 5 people found the following review helpful. Hagstrom New York City Five Borough Atlas By Let it go junior... Looks great except printed on poor quality paper that is a bit grainy and thin. Some prints show through from the other side of the page. Other than that everything is good. 2 of 2 people found the following review helpful. So Helpful! By Jorge Getting the atlas for NYC has proven to be a great buy. It's helped me out at my job so much that I don't know why I never picked one up before. Great to have would recommend

anyone to have it even the experience drivers like myself.
