we would take our family vacations to New Orleans and naturally go to Sunday Mass in many of the area's magnificent churches!!! New Orleans is as synonymous with Catholicism as Chicago is (my current hometown) This book is a wonderful tribute to the city and its many churches(including those that are not Catholic). I enjoyed it thoroughly and recommend it as an uplifting and easy read.1 of 1 people found the following review helpful. A MUST Read!!!!By queenxxviThis book has been so enlightening to read and it is a real treat for both native New Orleanians and non-natives alike. Both book and foreword written by people who love this wonderful city and its surrounding areas. It will forever have a home on my coffee table and will certainly be a go-to gift!1 of 1 people found the following review helpful. historic churchesBy Mary Jane HooperExcellent read. The Cazale' chapter was very personal and enjoyable. Anyone interested in churches and their history will find this interesting. A slice of New Orleans.

Since Louisiana is the only state in the union to organize itself through parishes and not counties, it should come as no surprise that its places of worship are pillars of its communities. The Big Easy is no exception. From New Orleans to the Northshore, stately churches, grand cathedrals and rustic chapels act as reliquaries and safeguards of community history and strength. The stories of their builders, architects and leaders exemplify development and the immigrant experience in Louisiana. Their parishioners embody the diverse and personal meanings of faith and devotion. Join Deborah Burst as she explores the rich history of churches of New Orleans.

"Hallowed Halls of Greater New Orleans. Congratulations to author Deborah Burst on the publication of this very interesting new book on New Orleans churches and cathedrals and sanctuaries. Highly recommended to all." --Anne Rice, New Orleans native, lauded best-selling author with more than 30 published books including her latest release *The Wolves of Midwinter*. "Deb Burst sees things (and knows things) about New Orleans that most people don't. Here, she reveals the stories behind some of the region's most memorable structures." --Lee Froehlich, Managing Editor, *Playboy Magazine* "Deb Burst is as much a New Orleans fixture as Mardi Gras, Jazz Fest, and an ice cold Hurricane at Pat O's. You can see her passion in every word she writes and every photograph she snaps. She is a true renaissance woman." --Mark A. Newman, Former Editor in Chief, *Southern Breeze Magazine* "I've admired Deb Burst's research, writing and photography since she was an undergraduate student at Tulane University and *Preservation in Print* was the first to publish her stories about historic architecture and neighborhoods. *Hallowed Halls* will definitely be the bible about Louisiana houses of worship." --Mary Fitzpatrick, Editor *Preservation in Print Magazine* "Deb Burst is as much a New Orleans fixture as Mardi Gras, Jazz Fest, and an ice cold Hurricane at Pat O's. You can see her passion in every word she writes and every photograph she snaps. She is a true renaissance woman." --Mark A. Newman, Former Editor in Chief, *Southern Breeze Magazine* About the Author Deborah Burst is a New Orleans native and award-winning freelance writer and photographer of travel, culinary culture and architecture.
