Janet Inglis : Handling Holland: A Manual for International Women in the Netherlands before purchasing it in order to gauge whether or not it would be worth my time, and all praised Handling Holland: A Manual for International Women in the Netherlands:

Expatriate women and spouses planning to live in Holland will find practical advice on finding a job, establishing a small business, or becoming a freelancer in this handbook for finding success and happiness in the Netherlands. Interviews, personal stories, and profiles of women provide firsthand information on the challenges and opportunities afforded by Dutch society. Enrolling in an educational program, managing home and family, keeping fit and healthy, serving in a community organization, and meeting new friends are covered with encouragement and practical advice on how to make living in Holland enjoyable and fulfilling.

About the Author Janet Inglis is a former lecturer in psychology, an industry trainer, and a career consultant. She is a Scottish expatriate living in Holland.
