Donna R. Gough : Handy Guide to Virginia Wineries (2017 edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Handy Guide to Virginia Wineries (2017 edition):

2 of 2 people found the following review helpful. Very good guideBy L. J. KahleThe guide is very well organized and easy to follow. Most of the VA wineries are listed, although more have opened since publication (the book covers 95% percent of them to date 2/2014). Would recommend to anyone that is looking for an easy to read guide to VA wineries.1 of 1 people found the following review helpful. Virginia is for wine loversBy palmettomacWe moved away just before the big boom in the number of wineries. This is a great help for catching up. Lots of great info!0 of 0

people found the following review helpful. Helpful but needs better organization
By AprilMy husband and I went on our first trip to Virginia wine country and used this book. It had wonderful descriptions of the winery's atmosphere and wine list. I found the organization of regions counter intuitive.

An introduction to the rich complexity of Virginia's wine country, Handy Guide to Virginia Wineries is a comprehensive overview of the wineries open to the public on a regular basis.

About the AuthorDonna Gough has enjoyed wines and wine tasting since living in France years ago and has visited vineyards in the United States, Canada, Chile, and Germany. She blogs about Virginia wineries at www.facebook.com/goughpubs, and about writing in general at <http://goughpubs.wordpress.com>.
