Great Resource! By Avid Reader This book was just what I was looking for -- a concise directory of many dog-friendly parks and towns throughout NJ and all compiled by county for easy reference. It contained more entries than I could have even imagined and I'm determined to travel to as many locations as I can! 0 of 3 people found the following review helpful. A great idea but doesn't make it By Suzanne I loved the idea of this book, but I was amazed at how glamorous the author made some of the places I know very well. She does give good advice about watering holes information as to when pets are welcome when they are not. However, the book just lacked reality of life and socializing a dog. I felt like I had wasted my money on information I already knew.
