Geoff Holder : Haunted Dundee before purchasing it in order to gage whether or not it would be worth my time, and all praised Haunted Dundee:

Drawing on historical and contemporary sources and containing many tales which have never before been published, Haunted Dundee will delight everyone interested in the paranormal.

About the Author Geoff Holder has written almost twenty non-fiction books on the paranormal, the peculiar, the Gothic and the gruesome, from "The Jacobites and the Supernatural" and "101 Things to Do with a Stone Circle" to "Scottish Bodysnatchers" and nine titles in the Guide to the Mysterious... series, covering everywhere from the Lake District and Loch Ness to Glasgow and Aberdeen. His work encompasses folklore, archaeology, local history, parapsychology, ghosts, Fortean, neo-antiquarianism and witchcraft, with a side order of gargoyles and graveyards.
