Robert W. Parker : Haunted Louisville before purchasing it in order to gage whether or not it would be worth my time, and all praised Haunted Louisville:

0 of 0 people found the following review helpful. hometown ghostBy T TomsHaving lived in Louisville for the majority of my life, I know of the spots talked about in this book.It is a great read.. I have heard some of these stories for years. First time, I have seen them in one collection.Have never taken a tour with Mr Parker, but think it would be a fun thing to do.1 of 1 people found the following review helpful. TAKE A GHOST WALK WITH MR.

GHOSTWALKER!By Vicky CooperI bought this book as a afterthought but when I started reading it is very entertaining.The Author gives ghost walks in the Louisville area and tells antidotes about his experiencesand others on the walks. He also gives some history about the buildings but not so much asto become boring. The stories are fairly short and easy to read. I intend to get his first bookalso.0 of 0 people found the following review helpful. Since I am a Louisville native and resident, I ...By Ruth FuchsSince I am a Louisville native and resident, I found this book quite interesting. I can't wait to read more of Robert's books.

Meet the Ghosts of Downtown Louisville Face-to-Face! Louisville, Kentucky has long been regarded as one of the most haunted cities in America with dark tales of haunted theaters, hospitals, hotels and crumbling mansions. For the first time, Robert Parker, creator of the Louisville Ghost Walks, brings many of those stories to life in the pages of this chilling book. In his first volume of strange stories, the author enthralls the reader with stories that have never appeared in print before, including tales from haunted corridors of the Brown Hotel, the decks of the famed Belle of Louisville, the upper floors of the Brennan House, the confines of the Palace Theater, the former cells of the Old City Jail and many other spots! Want to know why Louisville has gained such a reputation for being haunted? Then look no further than the pages of "Haunted Louisville". This is a must-have book for every ghost hunter, no matter what part of the country they are from!
