I especially love collections which are 'close to home.' There are some poorly-written local paranormal books out there, but this one didn't disappoint. The writing is very easy to read, clear and fun. I also really liked how little-known stories are included; gives great insight into the sheer number of haunts and legends which populate every area!0 of 0 people found the following review helpful. Haunted booksBy Barbara BurkeI am very interested in the paranormal and wanted to travel to places in and around my state. Very interesting book.

Includes Arrowhead's Devil Dogs Spirits of the Vikings Phantom racehorse Dan Patch The legend of the fearsome Windego The ghost ship Minnesota
