PA stuff--since I was a kid many many years ago. This pulls some of them back into the forefront and adds a few I'd not heard of. On a chilly night with strange noises in the house, it can make your toes feel strangely cold. For those with a curiosity of this genre, enjoy. .good for "around the campfire "tales as well. Just make sure the batteries are fully charged!8 of 9 people found the following review helpful. Good Bunch of Pennsylvania Paranormal StoriesBy J. Cameron McClainThis was a decent read. Not only does the author cover many of the more famous ghost stories from Pennsylvania's history, but there are more than a few stories that go beyond the "ghost" genre and delve into other paranormal events. Clearly written and concise.The only minuses are that none of the stories go into much detail. And the pictures.... To be honest, the pictures are completely superfluous, and in most cases a bit silly (and none are actual photos of paranormal activity, but rather recreations of events). Most likely the author threw them in to appeal to the younger crowd.I don't think I'm going out on a limb when I say that Haunted Pennsylvania is intended for those who want a 'creepy read' rather than a more serious, investigative overview of paranormal events, and probably ideal for younger readers, tweens to young adults. Though young-at-hearters who just want a decent bunch of ghost stories to read over a night or two will probably also be satisfied buying this book.1 of 1 people found the following review helpful. Product ReviewBy Jeremy E.The book arrived in excellent condition and very entertaining. There were no pages missing and the front cover was in great condition. A great buy!!!

A collection of frightening stories, including the Civil War ghosts of Gettysburg, spirits at John Brown's tannery, the fiddling ghost of Potter County, hauntings at the Eastern State Penitentiary, the mysterious indelible handprint, and many more.

About the AuthorMark Nesbitt is the author of the popular Ghosts of Gettysburg, a six-volume series that received the National Paranormal Award in 2004. Formerly a National Park Service ranger and then a battlefield guide, he has lived in Gettysburg since 1971. Patty A. Wilson lives in western Pennsylvania and is the author of several books on hauntings.
