Thomas D'Agostino : Haunted Rhode Island before purchasing it in order to gage whether or not it would be worth my time, and all praised Haunted Rhode Island:

0 of 0 people found the following review helpful. Good collection of storiesBy Nicole BilleyI really enjoy stories of the supernatural, spirits, hauntings, and the like. This was a nice collection of stories with the author giving a first hand account of his own experiences in many of them, and it was well written. It would be a good guide to use for a weekend of sightseeing at a bunch of the places mentioned!0 of 0 people found the following review helpful. A great book! I have read about 4 or 5 ...By David G.A great book! I have read about 4 or 5 of Thomas D'Agostino's books

and have enjoyed all of them! An experienced paranormal investigator, he always gives chilling accounts of his investigations. 0 of 0 people found the following review helpful. Five StarsBy Sandy GniadekExcellent Book. Well written, kept me enthralled with the Little Big State!

Small and alluring, Rhode Island is home to many who refuse to leave, even after death. Illustrated with over 60 photos, here are tales of hauntings, vampires, mysterious cairns, wailing brooks, and floating coffins encountered throughout Rhode Island. Haunted locations include Barrington, Bristol, Burrillville, Charlestown, Coventry, Cranston, Cumberland, East Providence, Exeter, Foster, Glocester, Jamestown, Middletown, Narragansett, New Shoreham, Newport, North Kingstown, Portsmouth, Providence, Scituate, Smithfield, South Kingstown, Tiverton, Warren, Warwick, West Greenwich, West Warwick, Westerly, and Woonsocket. Long dead sailors prowl lonely docks, departed schoolmasters seek their charges, phantom girls giggle in a state park, ambushed soldiers of centuries past scream, and a mysterious man in gray walks among the tombstones. These are tales sure to chill you in the dead of night!

About the AuthorThomas D'Agostino has been investigating the paranormal for over 23 years. He has reported his findings regularly in magazines and a previous book.
