Scott Williams : Haunted Texas: A Travel Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Haunted Texas: A Travel Guide:

4 of 4 people found the following review helpful. Good For A Vacation...By Ray Jay EdwardsThe book is as advertised: This is a good book for tracking down a haunted vacation in Texas. I bought the book for the paranormal draw, hoping to find a lot more history and paranormal investigation. But the book states right on the cover the purpose it means to serve, and it serves that purpose capably, so I'm not complaining at all. An interesting read, and

when I get time for a vacation I will certainly be referring back to this book. :)0 of 0 people found the following review helpful. Did you know . . .By N. JACOBSONA wonderful collection of stories to inspire travel and conversation1 of 1 people found the following review helpful. Way to go!By Penny Mae WallsMy new Texas Travel Guide! I love the ease of shopping on line and is the best! I always receive my order before its expected time of arrival! Way to go!

The first full-service Texas travel book for people interested in the paranormal.
