Patricia Smither : Hawaii - A Guide for The Wheelchair Visitor before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hawaii - A Guide for The Wheelchair Visitor:

9 of 9 people found the following review helpful. Handicapping Paradise By D. Thornton I ordered this book with the hopes it would give me extensive details about accommodations, restaurants and attractions. The book delved somewhat into that area but still left me with a lot of questions as I ponder my upcoming trip to Hawaii. More "meat" is needed in this book. I have found more information on the internet regarding handicapped access in Hawaii than I found in this book.

Steps for planning that trip to "Paradise". When to go, where to stay, how to get there and what to see. This guide will help make your trip more enjoyable, knowing in advance what to expect and how to not miss seeing everything. Accessible information on the islands of Oahu, Maui, Kauai, and the Big Island of Hawaii. Color photos of accessible hotels and even a "Personal Photo Gallery".

About the Author Patricia Smither was born and raised in California. She married Neal, a quadriplegic and learned the difficulty of planning a vacation when traveling in a wheelchair. She and her husband formed a nonprofit corporation, Access for Disabled Americans to help ease some of the many problems people with disabilities must face in their everyday life. They devote their time to helping others.
