Hawaiian WildlifeBy TumarshExcellent quick, pocket guide to take with you while you are in Hawaii and see the fantastic wildlife as you are traveling.3 of 3 people found the following review helpful. The pocket guide was perfect.By Helen WagnerI purchase these pocket guides when traveling far from home. It is a concise way to identify local wildlife without carrying heavy books on a plane.1 of 1 people found the following review helpful. Five StarsBy Cyndiwe enjoyed using the guide while we were on our trip - it was helpful :)

The state marine mammal, the Humpback Whale, is one of thousands of species of animals inhabiting the diverse ecosystems found throughout the Aloha State. This beautifully illustrated guide highlights over 140 familiar and unique species of mammals, birds, reptiles, amphibians, fishes, seashore creatures and butterflies/insects and includes an habitat map featuring prominent wildlife-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.
