T.E. Lawrence : Revolt in the Desert: The Authorised Abridged Edition of 'Seven Pillars of Wisdom' (Tauris Parke Paperbacks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Revolt in the Desert: The Authorised Abridged Edition of 'Seven Pillars of Wisdom' (Tauris Parke Paperbacks):

0 of 0 people found the following review helpful. Great bookBy Glenn R. SmithBought this book along with "Seven Pillars of Wisdom" which is the complete book Lawrence wrote. "Revolt in the Desert" is an abridged version of "Seven Pillars".Lawrence was an amazing man. I became intrigued by him after seeing the great film "Lawrence of Arabia" when I was a kid. But I never really looked into his life until I bought another book earlier this year: "Hero" by Michael Korda, which is a biography of Lawrence. After reading that book I had to buy "Seven Pillars" and this "Revolt" to see exactly what Lawrence had to write about his experiences.I must admit that I haven't read this book as of the date of this review. The volume I bought was used and had a cut-out newspaper article with Lawrence's obituary in it. Very unique.2 of 2 people found the following review helpful. Revolt vs. PillarsBy William A. BonnetThis is the "for public consumption" version of Lawrence's Seven Pillars of Wisdom. While much more readable than Pillars, it lacks the personal insight of the larger work.0 of 0 people found the following review helpful. gvjggcBy Bill Fordhjvjvhv khvkhvbjhjhv

T.E. Lawrence, also known as *Lawrence of Arabia,* wrote Seven Pillars of Wisdom: A Triumph from his memories of serving as a liaison officer with rebel forces during the Arab Revolt against the Ottoman Turks (1916-1918). Possessed of a brilliant military mind and an unmatched knowledge of the region and the Arab people, Lawrence led the revolt alongside the charismatic Faisal I, sounding the death knell for the Ottoman Empire and paving the way for a new colonial power in the region: the British. Writing from memory after his original manuscript and detailed notes were lost, Lawrence was able to privately publish a polished version of his autobiographical account in 1922. It is from this edition that he created the abridged version in 1927 which would become a best-seller, titling it Revolt in the Desert. This important historic work vividly portrays one of the most turbulent periods in the history of the Middle East while offering rich insight into one of Britain's esteemed national heroes.

The race of heroes is not dead. [This book] is a great epic of deeds. Lawrence himself is already a legend. But seldom does the hero of a legend write his own account of his acts and deeds. More seldom still does his legend survive the writing. But Lawrence triumphs over everything. -- New York Times Book
