Robert Curley : Rhode Island Off the Beaten Path: A Guide To Unique Places (Off the Beaten Path Series)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Rhode Island Off the Beaten Path: A Guide To Unique Places (Off the Beaten Path Series):

0 of 0 people found the following review helpful. Four StarsBy kittykat23A bit small but helpful book1 of 1 people found the following review helpful. Very helpfulBy Sue flowersOur child moved to Rhode Island after college and we

want to know the area better.....So far I have used this book to explore the area between pawtucket and block island and it was extremely helpful. We have planned 3 additional trips, each exploring a different area as laid out in the book...well organized5 of 7 people found the following review helpful. Needs UpdatingBy Juanita GI moved to RI a couple of months ago from NYC and I got married on January 1. I'm not too much into the typical touristy things so I was looking forward to getting this book. Well, we looked through it and thought the Magic Garden in Tiverton sounded like a perfect outing for us as we had my 8-year-old stepdaughter....well, we drove from providence and when we got there, we were told by a nice shop keeper that the garden hadn't been there for "years." We were all very disappointed. We decided to head to Hope Artiste Village...also in the book...only to find a place that looked more like a school...so we left. I'll give the book another shot, but only places that I can go online a research. Oh, and although helpful (if they are still in business), I think the book contains FAR too many restaurants. Places to eat wasn't why I bought the book...

Rhode Island Off the Beaten Path features the things travelers and locals want to see and experienceif only they knew about them. From the best in local dining to quirky cultural tidbits to hidden attractions, unique finds, and unusual locales, Rhode Island Off the Beaten Path takes the reader down the road less traveled and reveals a side of Rhode Island that other guidebooks just don't offer.

From the Back CoverTired of the same old tourist traps? Whether youre a visitor or a local looking for something different, let Rhode Island Off the Beaten Path show you the Ocean State you never knew existed. Give your eyes a feast at one of the states best-kept secrets, the Culinary Archives and Museum in Providence; take in a ball game and soak up the old-time atmosphere at charming Cardines Field in Newport; or stroll through Charlestown's Fantastic Umbrella Factory shops, a funky collection of 1960s-style boutiques. So if youve been there, done that one too many times, get off the main road and venture Off the Beaten Path.
