**Ordnance Survey : Richmond and Leyburn (Pathfinder Maps)** before purchasing it in order to gage whether or

not it would be worth my time, and all praised Richmond and Leyburn (Pathfinder Maps):

About the Author Ordnance Survey is Britain's national mapping agency, responsible for the official, definitive mapping of the whole country. They produce and market a wide range of maps for educational and leisure purposes, as well as producing computer data products for government, business and administrative use.
