Gail Doyle : Richmond (City-Smart Richmond) before purchasing it in order to gage whether or not it would be

worth my time, and all praised Richmond (City-Smart Richmond):

Richmond local Gall Doyle has personally selected the best places to eat, shop, sightsee, and simply hang out. And not just the fancy places -- there are selections geared for every budget. There are also lots of fun city favorites lists from area residents and sidebars that focus on local history, insider secrets, and interesting trivia.
