**Rick Stein : Rick Stein's Far Eastern Odyssey: 150 New Recipes Evoking the Flavours of the Far East** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rick Stein's Far Eastern Odyssey: 150 New Recipes Evoking the Flavours of the Far East:

5 of 5 people found the following review helpful. Far Eastern...Far out!By Jodie HansenThis cookbook was recommended to me by my brother, who, having spent a fair bit of time in Thailand was amazed to find a green chicken curry that actually tasted like a genuine Thai offering.Stein has Anglicised the recipes, not to alter the flavour, but to use ingredients that can be found easily in the west, by visiting your local asian food store. But do not fear, the taste remains true to the original. You won't find any recipes that tell you to buy a curry paste and use two tablespoons. The recipe for all the pastes are found in the back of the book. The best thing about that, is that I can adjust the amount

of heat to suit. I've just loaned it to a friend, who is equally impressed, and now ordering her copy. It also cost half as much here as it does off the shelf in Australia. 0 of 0 people found the following review helpful. If you like south east asian food, buy it, you won't regret it. By DR Gill Hood One of the best cookbooks I've ever bought. All of the recipes I've cooked so far have been truly delicious. A journey through South East Asia on the palate. The series was also excellent to watch (as always). Just fabulous. 0 of 0 people found the following review helpful. Great companion book to the TV series but better. By APWS Great companion book to the TV series but better, a wonderful stand alone cookbook as well. I recommend it!

Rick has visited traditional family-run restaurants, street vendors, floating markets, night markets, fishing villages, and the local cinnamon and rice farmers to learn about the authentic food of the Far East, and to sample the delicious spectrum of flavors

About the Author Rick Stein is a chef, restaurateur, television host, and author. His other titles include Rick Stein's French Odyssey and Rick Stein's Seafood, which won the coveted James Beard Foundation Cookbook of the Year Award.
