Rick Steves : Rick Steves' Easy Access Europe: A Guide for Travelers with Limited Mobility before purchasing it in order to gage whether or not it would be worth my time, and all praised Rick Steves' Easy Access Europe: A Guide for Travelers with Limited Mobility:

From train and rail pass skills to strategies for visiting open-air folk museums, who else but Rick Steves teaches travelers the skills they really need when traveling through Europe? Most guidebooks don't address the needs of travelers with limited mobility, but Rick Steves believes in comfortable and successful travel for everyone. Rick Steves' Easy Access Europe focuses on Amsterdam, Bruges, London, Paris, and the Rhine. It provides tips on getting around easily whether you're in a wheelchair or just need to walk slowly. America's top authority on travel to Europe, Rick Steves has done the legwork, discovered the secrets, and made the mistakes so travelers don't have to. Completely revised and updated, Rick's time-tested recommendations for safe and enjoyable travel in Europe have been used by millions of Americans in search of their own unique European travel experience. His tips include: accessibility ratings for all sights, hotels, and restaurants, dependable recommendations for traveling on a budget, roll or stroll tours of historic neighborhoods, and advice from other travelers with physical challenges. Smart ideas are offered on everything from social etiquette to booking a hotel and ordering food. This book is an essential item on any European traveler's checklist.
