Rick Steves, Cameron Hewitt : Rick Steves Northern European Cruise Ports before purchasing it in order to gage whether or not it would be worth my time, and all praised Rick Steves Northern European Cruise Ports:

By M. Herrin
I always buy Rick Steves' book about wherever I am planning to travel. Lots of good general information as well as detailed descriptions of where and how to get around, sightsee, eat, and shop. This book is just what I needed for a Scandinavian cruise as it describes cruise port cities, not the whole country. It contains instructions for cutting it apart into very small books, one for each port city, so there is no need to bring the whole thing....only those cities you will actually visit. I can't comment on the usefulness of the information in this particular book yet, as my trip is next week, but all previous Rick Steve books have proved invaluable when sightseeing otherwise unguided. There are also chapters about choosing, booking, packing for, and boarding a cruise ship if you haven't done that before.

Fantastic book! I'll post an updated review after our Baltic Sea Cruise but thus far I have nothing but positive comments about this book. Easy to read, designed to be sectioned so you don't have to carry the entire book on each outing, great tips and provided great info for us to make decisions regarding activities at each port we visit.

Very comprehensive! Nice to have all of the ports in one publication. At first glance it looks like overkill, but the further you get into it the more you appreciate the depth.

About the Author
Since 1973, Rick Steves has spent about four months a year exploring Europe. His mission: to empower Americans to have European trips that are fun, affordable, and culturally broadening. Rick produces a best-selling guidebook series, a public television series, and a public radio show, and organizes small-group tours that take over 20,000 travelers to Europe annually. He does all of this with the help of a hardworking, well-traveled staff of 100 at Rick Steves' Europe in Edmonds, Washington, near Seattle. When not on the road, Rick is active in his church and with advocacy groups focused on economic justice, drug policy reform, and ending hunger. To recharge, Rick plays piano, relaxes at his family cabin in the Cascade Mountains, and spends time with his partner Trish, son Andy, and daughter Jackie.
