Rita Aero : Rita Aero's Walt Disney World, Odyssey Edition, Version 1.4: The Essential Guide to Amazing Vacations before purchasing it in order to gage whether or not it would be worth my time, and all praised Rita Aero's Walt Disney World, Odyssey Edition, Version 1.4: The Essential Guide to Amazing Vacations:

6 of 11 people found the following review helpful. A helpful guide for planning your WDW vacation.By Ellen T.Rita Aero's 2002 guide is a useful tool in planning a WDW vacation. This guide provided very useful information regarding times to visit WDW. Rita provides month by month information on crowds, weather and events. However, if you are trying to decide on which hotel to choose, very little information is provided regarding hotels on the grounds. Other guides (such as the Passporter) give much more detailed information about the hotels including suggestions for buildings located close in proximity to bus stops, pools, and dining. Rita's guide provides nice summaries of all

attractions including Fun Factor ratings. These ratings are broken down by age groups: tots, kids, teens, adults, and mature riders. This is helpful in deciding which rides are most appropriate for each member of the family. Rita also gives some useful hints to help plan touring strategies. A telephone directory is provided with telephone numbers for information, reservations, and other services. One of the best features is the web site associated with the guide which provides access to a supportive vacation community.⁸ of 12 people found the following review helpful. THE one to get. By Adam M. Covington I recently purchased this book in order to plan my WDW vacation for summer 2001. I'm very impressed with the book's content, ratings, and overall help in planning a vacation. The author has had a lot of experience at WDW - and it shows. If you can only afford one guide book for WDW, make it this one. If you can afford two, also get the Passporter.⁹ of 13 people found the following review helpful. Simple, Effective, and Credible By Mike Scopa Speaking as someone who has read almost every book written on Walt Disney World I can say that Rita Aero's book may be the best book for those planning their first family trip to Orlando. The book does not have the flash of other Disney World Guidebooks but it does have organized information that I think helps first timers answer the questions they have regarding trip planning needs. The first 30 pages of the book seem to have the objective of bringing the reader up to speed on the essential aspects of Walt Disney World trip planning. The charts, maps, and tables have been structured so that it's very easy to draw the information from the page. I like that in a reference book. I need info fast and I can get it from this book. I also like the decision panel which helps the reader determine the need for a rental car. The rest of the book has specific sections on attractions, hotels, recreation, restaurants, special events, and so on. The last page of the book is a telephone directory. You could easily tear that page out and take it with you on your trip. The book lists a panel of experts known as the E.A.R.S. Academy who have contributed to the information in the book. These experts are familiar to those people in Disney circles and thus bring with them some strong credentials. I'm not sure if this book would be received as strongly by WDW veterans as first timers. I do know that I would recommend this book as a prime resource and guide for anyone planning their first trip to Walt Disney World.

The guidebook everyone is talking about! What you need to know! The essentials are at your fingertips with find-it-fast indexing. Hotel and restaurant comparison charts and detailed Disney maps. Ratings by top Disney experts! Meet the E.A.R.S. Academy, our panel of Walt Disney World vacation experts. Discover the best of the best among theme park attractions, restaurants, and hotels. Award-winning web site! At our online vacation planning community, you'll stay up-to-date on Disney events. Book owners will find insider tips, discount strategies, special offers, and so much more.

The Guidebook everyone is talking about! "This guidebook is the greatest! It saved us \$50 per day in meals alone. Rita Aero made a perfect vacation come true." --Maria Cole, Winchester Virginia "In the bookstore, faced with many guidebook choices, I was confused as to which to pick. Fortunately, I chose Rita Aero's. A whole world opened up after reading this book." --Alicia White, Cleveland, Ohio "We saved \$600 on our last trip. Thank you!" --Debby Lloyd, United Kingdom "As a professional travel agent specializing in Orlando vacations, I advise all my clients to purchase Aero's guidebook. It is an invaluable planning tool with the most accurate information." --Nanci Rossetti, Forest City, Pennsylvania "I have learned how to procure great discounts, find the perfect resort, eat some of the greatest meals, and plan the best Disney vacation guide possible with the help of Rita Aero's Walt Disney World guide." --Jen Ducey, North Webster, Indiana "All of the secret, insider tips on what to see and how to tour the parks are priceless. We would have missed so many magical moments at the parks if it had not been for this book. Thanks a million, Rita!" --Mark Vance, Sussex, Wisconsin "I bought the Aero guidebook because it looked cool; since then it has become my Walt Disney World bible. It doesn't turn you into a theme park commando, like the other books insist on. It allows you to create the vacation that works for you." --Pamela Kowzan, Greensboro, North Carolina "I shudder to think what planning a Walt Disney World vacation would be like without this book." --Ramona Pinter, Daytona Beach, Florida "Endless tips, money-saving ideas, and a good read...a great book!" --Gennie Ballard, Whitmore Lake, Michigan "There is so much information that other guidebooks do not include. The attention to detail is marvelous. The best part of this guide is the password to the Readers Clubhouse! This is simply the most wonderful Web site on the Internet." --Sharon Martin, Wixom, Michigan -- "This guidebook is the greatest! It saved us \$50 per day in meals alone.
