The maps are adequate but the lack of pictures has me craving another book. This is not a carry along guide - do your homework, follow the book's advice and be sure to pick up a map at each park.8 of 16 people found the following review helpful. Great resource!By CastlecatAs someone who will be visiting "The World" for the first time this year, I found this book to be very helpful. Full of tips and recommendations, it is sure to become one of your favorite travel guides.17 of 35 people found the following review helpful. disappointedBy R. Garri purchased this book because i had read her "walt disney world for adults" several

years ago and found it to be very helpful. this book however had many of the same descriptions and ratings. don't get me wrong she rates "everything" .i was hoping for updated ratings on some of the hotels to see how they were aging. her web site that you get a password for could be more interesting and up to date. i must say after reading her older book, i was a bit disappointed in this one. i also purchased birnbaum's guide to walt disney world and birnbaums guide to walt disney world without kids. i must say the most informative book is the birnbaums guide to walt disney world without kids, it has lots of interesting facts the other's simply miss.

Rita Aero has completely revolutionized the concept of the Walt Disney World vacation, opening up the Magic Kingdom to fun-loving vacationers everywhere--singles, couples, business travelers, families with children--and becoming the ultimate authority on planning the perfect Walt Disney World getaway. While Rita's book is also perfect for the "traditional" Walt Disney World family, it emphasizes the infinite grown-up pleasures of Disney World--scrumptious restaurant reviews, strategic hotel selection, tips to beat the maddening crowds. New this year there will be a section about Universal Studios Orlando. Rita Aero offers invaluable tips on how and when to avoid crowds, where and when to eat, and masterful packing tips, all packaged in her elegant, usable 2-color interior design. And Aero's vaunted website will expand the utility of the book by giving readers to-the-minute updates on attractions and money-saving offers. Rita Aero's Walt Disney World for Adults will be the guide for young-at-heart Walt Disney World vacationers.
