Not the most detailed from a scientific perspective but the photography is good and I enjoyed reading about rivers I was once ..By WolfranAs an expat from the Hampshire/Dorset area of the UK, I was looking for a book about rivers and still waters in the area. They are few and far between. This is a charming book. Not the most detailed from a scientific perspective but the photography is good and I enjoyed reading about rivers I was once very familiar with. It arrived quickly and is in excellent condition.
