Andrea Neal : Road Trip: A Pocket History of Indiana before purchasing it in order to gage whether or not it would be worth my time, and all praised Road Trip: A Pocket History of Indiana:

0 of 0 people found the following review helpful. A history book, not a road trip bookBy VannieThis book presents an

excellent and informative history of Indiana in short bursts. It is not a Road Trip book in that it does not lay out vacations or trips. It will give you ideas to plan your own. While I like the book, I find the title a little misleading. 1 of 1 people found the following review helpful. Missing a map
By Pam - Children's Librarian Really fun book about places in Indiana, some known and some more obscure. What I missed was a map showing where the sites were located. Although directions were given it would have been nice to see what other ones were close by. 1 of 1 people found the following review helpful. Five Stars
By Susan A Mittelstaedt I teach 4th grade Indiana History. Can't wait to share this with my class. Something different from our textbook.

The bicentennial of Indiana statehood in 2016 is the perfect time for Hoosiers of all stripes to hit the road and visit sites that speak to the nineteenth state's character. In her book, Andrea Neal has selected the top 100 events/historical figures in Indiana history, some well-known like George Rogers Clark, and others obscured by time or memory such as the visit of Marquis de Lafayette to southern Indiana. These highly readable essays and photographs that accompany them feature a tourist site or landmark that in some way brings the subject to life. This will enable interested Hoosiers to travel the entire state to experience history firsthand. Related activities and sites include nature hikes, museums, markers, monuments, and memorials. The sites appear in chronological order, beginning with the impact of the Ice Age on Indiana and ending with the legacy of the bicentennial itself. Finalist (Travel), Foreword INDIE Book of the Year Award

About the Author Andrea Neal is a U.S. History and English teacher and also serves as an adjunct scholar and columnist with the Indiana Policy Foundation. Until 2003 Neal was a journalist, most recently at the Indianapolis Star, where she served as reporter, assistant city editor, editorial writer, and editorial page editor.
