**Jamie Jensen : Road Trip USA: California and the Southwest** before purchasing it in order to gage whether or not it would be worth my time, and all praised Road Trip USA: California and the Southwest:

0 of 0 people found the following review helpful. 2 Lane Blacktop at It's BestBy MaryReplacement for my original copy. I have lived by this book for years of fabulous drives to places I never would have thought of or found. More

memories and great experiences than you can imagine.3 of 3 people found the following review helpful. S/W USA Roadtrips from e.comBy Jesse W. MorrisI found this book very informative. I have a motorcycle and I take a lot of roadtrips. I am always looking for new and interesting place to explore. This book is exactly what I was looking for. I am well pleased with my purchase.0 of 0 people found the following review helpful. Great investmentBy Peter C. FingerAlthough we have yet to take this trip, this book gave us so much information on exactly where to go to maximize our vacation to the Southwest. Book is very succinct. Very pleased.

Author Jamie Jensen and his contributors deepen their top-down, radio blasting, coffee-swilling exploration of America's historic two lane highways - which in this region include the western stretch of the Mother Road - Route 66 - as well as Highway 50, the "Loneliest Road in America"; the Pacific Coastal Highway; and the old Southern-Pacific Route, Highway 80.

About the AuthorJamie Jensen is the author of numerous travel books including Moon's original Road Trip USA. He lives in Sacramento, CA
