**Jamie Jensen : Road Trip USA: Great River Road** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Road Trip USA: Great River Road:

0 of 0 people found the following review helpful. Useful and fun to read  
By Dr. Joe  
An enjoyable and practical guide to the sights and towns along the Mississippi. It is short, barely 100 pages, so best to supplement it with the guides to states you plan to travel through.  
0 of 0 people found the following review helpful. One Star  
By Customer  
Difficult to use maps which don't clearly show the GRR.  
0 of 0 people found the following review helpful. Small amount of information in a small booklet with small type.  
By Lionel  
Mediocre content. Very shallow coverage.  
The print is small enough that this old man had to pull out a magnifying glass to read the text.  
So much potential - this travel guide left out so much!

Rediscover the Open Road  
Road Trip USA: Great River Road shows you how to make the most of the route following the mighty Mississippi River, from its Minnesota headwaters all the way to the Gulf of Mexico. With mile-by-mile highlights and detailed driving maps all in a handy, portable format this is roadside Americana at your fingertips. Along the way, you'll find: Paul Bunyan and Babe the Blue Ox, Elvis Presley's Graceland, and Cajun Country  
Roadside curiosities and amusements, stopovers and detours, and the local history and personalities that make each town and city unique  
Full-color modern and vintage photos and illustrations

About the Author  
Jamie Jensen grew up in Southern California, back when freeways were new, cheeseburgers cost a quarter, and every beach had a beachfront amusement park. After wasting his early 20s bumming around the country, making hay in Kansas and ghost-writing a book for the Grateful Dead, in 1990 Jamie set to work researching and writing Road Trip USA. Since then he's traveled more than 400,000 miles in search of the perfect stretch of two-lane blacktop, but when not criss-crossing the country by car he rides his bike whenever possible. Jamie lives with his wife Catherine and twin boys Tom and Alex in Davis, California, near the west end of US-50.
