Lyn Wilkerson : Roads Less Traveled: Exploring America's Past on Its Back Roads before purchasing it in order to gage whether or not it would be worth my time, and all praised Roads Less Traveled: Exploring America's Past on Its Back Roads:

Roads Less Traveled is a historical travel guide. It provides a rare view into the history and Americana which lie along the back roads of our country. Based on the American Guide Series of the 1940's, this updated and edited version provides various routes throughout the Southeastern United States in which to partake in our history and folklore, whether on vacation or just for an afternoon.
