**Francis L. Fugate : Roadside History of Oklahoma (Roadside History (Paperback))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Roadside History of Oklahoma (Roadside History (Paperback)):

1 of 1 people found the following review helpful. Good readingBy Lover of old moviesI bought this for my father who was born in Forgan Oklahoma and grew up in Muskogee and Lindsay and graduated from Oklahoma AM (now Oklahoma State). He really enjoyed looking through it; it brought back many memories of his childhood. A must for

all Okies.2 of 2 people found the following review helpful. Highly recommended for Oklahoma enthusiastsBy J. A. WilliamsI moved to OK. about 6 yrs ago and still haven't gotten used to all the towns and the history. This is a great book with LOTS of old pictures about all the towns past and present, with well written histories. High recommendation for treasure and coin hunters, also for anyone interested in travel.0 of 0 people found the following review helpful. Four StarsBy daveInteresting read

Roadside History of Oklahoma invites tourists and residents alike to use the state's highways as avenues connecting the present with the past. Drive along the stage route used by the Butterfield Overland Mail, or follow the Chisholm Trail as the first cowboys did after the Civil War when they drove cattle to railheads in Kansas, or cross the state on "America's Main Street," Route 66.

"Whether you visit the sites in person or read about them from an easy chair, this roadside history is a must for folks wanting to know when, why, and how the twin territories joined to become the state of Oklahoma." --Arthur Shoemaker, True West
