**Bill Gulick : Roadside History of Oregon** before purchasing it in order to gage whether or not it would be worth my time, and all praised Roadside History of Oregon:

2 of 2 people found the following review helpful. Do not miss historyBy CustomerThis is the second in the roadside history series we have purchased (the first being for Arizona). We have found this a great way to determine where to stop on the road travel's of vacation. When you are on any trip and wish to take a closer look of where you are traveling through, and if you love the history of the region, this series will explain why you should stop and explore. I will continue to purchase this series when ever I am planning a exploration vacation.2 of 2 people found the following review helpful. QuirkBy Kindle CustomerFilled with tons of quirky facts about my beloved state, this book helps fill the time until my next visit to the Northwest. It currently resides in my bathroom, where it has become the perfect multitasker.0 of 0 people found the following review helpful. absorbingBy nabunaabsolutely absorbing read; great addition to any historical reading of the area; author's style is very readable

Join the excitement of discovery in Oregon--from its high desert plateau and majestic mountain peaks to its storm-wracked coast and the depths of the Columbia Gorge. The stirring, colorful stories of Oregon's empire builders are told here with skill and style by a man who has spent a lifetime writing about the Pacific Northwest.

"Once in a while a travel/history book comes along that truly grasps the reader's attention and fires the imagination.

Such a book is *Roadside History of Oregon*. . . . It makes for fascinating reading." --Reid Iford, Oregon City Enterprise Courier
