Win Blevins : Roadside History of Yellowstone Travel: A Historic Guide To Yellowstone (Epic Adventures) before purchasing it in order to gage whether or not it would be worth my time, and all praised Roadside History of Yellowstone Travel: A Historic Guide To Yellowstone (Epic Adventures):

0 of 0 people found the following review helpful. Five Stars By seth khoury Great info about the history of YNP!

Land holds the stories of people, their legends, and their history. Yellowstone National Park is an extraordinary tale of people and the earth through time and this travel guide goes with you along the journey. Learn about the Indians who lived or traveled through Yellowstone, as well as the mountain men who were the first white people to discover Yellowstone, the government explorers who mapped it and fought to make it a park, the poachers and other explorers--foreign and domestic, high-born and low-born, who sojourned here. You will be led through all the travails, thrills, dramas, and serene satisfactions of the people over the park's history. Easy and enjoyable to read, this travel guide allows you to begin at whichever of the five park entrances you use and follow the park's story as you follow the road.
