It was returned to the store.1 of 1 people found the following review helpful. Fantastic!By Ethan HymanA fantastic collection of images of the city of Rochester. Whether you were just a visitor to the city or are a lifelong resident of the community, Riggott's book captures the beauty of the city in page after page. The images are beautiful, timeless and are perfect memories of the incredible city.0 of 0 people found the following review helpful. I want to live here!By Greg LatzaHaving lived in Rochester for a time, I know that Dean has effectively captured the essence of the city with this book of photographs. Everything here could be framed and put on my living room wall. Looking through this book makes it seem as though I still live there. Great work!
