Dennis Jackson : Rock Climbing New Mexico (State Rock Climbing Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rock Climbing New Mexico (State Rock Climbing Series):

The superb crags of New Mexico beckon climbers from all over the world. Stunning alpine and desert scenery, high-quality rock, no crowds, and year-round climbing are but a few features that draw climbers to places like Cochiti

Mesa, Socorro's Enchanted Tower, and the Tres Piedras Rocks. Rock Climbing New Mexico is the only climbing guide that covers all the major climbing areas in the Land of Enchantment. It included hundreds of routes ranging from 5.6 to 5.14, appealing to both traditional and sport climbers. This guide includes first-hand information for area overviews and climbing histories, route betas and topos, detailed location maps and photos, as well as recommendations for equipment, and information for approaches and descents. Rock Climbing New Mexico is an essential tool for planning your next climbing trip.
