Christy Butler, Russell Dunn : Rockachusetts: An Explorer's Guide To Amazing Boulders of Massachusetts before purchasing it in order to gage whether or not it would be worth my time, and all praised Rockachusetts: An Explorer's Guide To Amazing Boulders of Massachusetts:

0 of 0 people found the following review helpful. Great Book!By DeborahRockachusetts will take you from the

beautiful vistas of the Berkshires to the dark blue waters of the Atlantic ocean, kissing the Cape Cod islands. Glacial Erratics of untold years and complexity will entertain you through the Commonwealth, providing you with physical, mental and spiritual stimulation, as you follow along precise GPS coordinates and maps to your experience of the WOW FACTOR . Having 155 chapters, this book will keep you busy and excited for some time, traveling to different places, exploring and learning. Christy Butler and Russell Dunn have published the perfect book for the seasoned hiker, explorer and novice. This book is a GREAT introduction to the outdoors, with activity levels for all experiences. 0 of 0 people found the following review helpful. great information! By jacqueline already did 2, great information! 0 of 0 people found the following review helpful. ... over the Berkshires and find this book is an excellent way to a better hiking experience. By JAKEi hike all over the Berkshires and find this book is an excellent way to a better hiking experience,,not to mention a good way to experience more fulfilling hikes,,I highly recommend this book

"Rockachusetts." An Explorer's Guide to Amazing Boulders of Massachusetts: New hiking destinations and fun-filled adventures for individuals, couples or the entire family. A total of 155 chapters richly enhanced with photographs, GPS coordinates, maps, directions along with historical backdrop, direct hikers and outdoor enthusiasts to some of the most astonishing glacial boulders, balanced or perched rocks that have been scattered throughout the now forested landscape. Divided alphabetically into Western (51) Central (43) North Shore (21) South Shore (29) Cape Cod (5) Martha's Vineyard (6) locations representing hundreds of amazing boulders.

About the Author Christy Butler is a visual artist with an Associate Degree in Liberal Studies-Majoring in Design, and a Bachelor of Arts in Business Administration majoring in Marketing and Management. Other related studies include Mass Communications, Filmmaking and Photography. After being published in variety of Literary and Specialty Magazines, along with other Audio-Visual endeavors, Butler created and directed a grant-funded and web-based archive of veterans personal photos from their military experiences www.shoeboxphotos.net. This was followed by a series of New England State Waterfall posters created with Jan Butler. www.berkshirephotos.com. Collaborations with author Russell Dunn, began with the publication of Berkshire Region Waterfall Guide and later Connecticut Waterfalls: A Guide. Rockachusetts is their latest collaboration. Russell Dunn is a New York State licensed hiking guide who has written seven waterfall guidebooks covering Vermont, eastern New York State, western Massachusetts, and Connecticut (co-authored with Christy Butler); three paddling guidebooks covering New York's Greater Capital Region; two hiking guidebooks (co-authored with Barbara Delaney) covering the Adirondacks and New York's Greater Capital Region; a book of Adventures around the Great Sacandaga Lake; a 3-D Guide to New York's Empire State Plaza and its large works of art (co-authored with Barbara Delaney), and Ausable Chasm: In Pictures and Story (co-authored with John Haywood Sean Reines).
