This book saved our Honeymoon!By Kurt GranzowThis book turned a stroke of bad luck on our honeymoon into a honeymoon we will remember. Our original plans were to do a 7-day cruise, but after flying to Miami and getting an hour out to sea, the engine on our ship broke and the whole cruise was cancelled. We flew back home the next day and decided we would drive to New Orleans. We picked this book up that night and it helped us plan an entire new honeymoon at the last minute. We stayed at the Hampton Inn as described in Itinerary 16, which is just a block and a half from the French Quarter. Thursday morning we took the excellent Cemetery and Voodoo walking tour found in Itinerary 6. That afternoon we had our own perfumes and colognes created for us at Bourbon French Parfums (Itinerary 3). Friday we attempted to follow Day Two of Itinerary 16. The Zoo is gorgeous and very romantic, but don't get fooled into taking the timeshare tour that they will offer you at the harbor where you get your zoo\aquarium tickets. Saturday we stayed at the Victoria Inn from Itinerary 27. What a great place! It's beautiful and moderately priced. The Bayou boat tour (also Itinerary 27) was the highlight of the trip. We got to see dolphins swimming right along the boat! That night's dinner at Restaurant Des Familles was very good too. All of these ideas came from this book and helped make our honeymoon a romantic and memorable one. If you ever plan on going to New Orleans, or returning, this is the book to have.1 of 1 people found the following review helpful. Best Travel Book I've readBy C. SiegelThis book is unlike any other Travel Planning Book. It is descriptive and puts you right in the heart of the atmosphere! I picked this up on a whim with my traditional Frommers Travel Guide. I hardly have used Frommers at all for this upcoming trip. This book is all I need!!!! My husband and I have been reading the "itineraries" aloud to each other in anticipation of our trip. That way we can pop a post-it flag on the activities that spark our interest and plan out our own custom itinerary a few days before leaving. I love this book and guarantee our weekend trip will be more memorable because of this book!!! If you are planning a trip to New Orleans, buy it - you won't regret it!!!
